## Vista S-R features

- Designed for comfort and ease of use
- Water-resistant housing for increased reliability
- Made For All universal connectivity, compatible with any Bluetooth®-enabled device
- Find my Devices feature enables you to find misplaced devices via the Hearing Remote app

**Our most advanced sound performance with Vista S helps you to stay engaged in every conversation, no matter the setting.**

Vista S adapts to your surroundings, enhancing the sounds you want to hear while reducing background noise for a clearer, more enjoyable listening experience.

### **Easy Line Charger RIC S**

### **Easy Line ChargerGo RIC S**

Offers you the convenience of charging on-the-go

Vista S-R offers you a choice between chargers. Both feature magnetic retention, enabling you to insert and remove your hearing aids with ease.

# Personalization

Take control of your hearing experience with the **Hearing Remote app**. Adjust settings anytime to suit your surroundings and listening preferences. Whether changing the volume, switching programs, or boosting speech or comfort, the app puts personalization at your fingertips.

The Hearing Remote app helps you integrate your hearing aids into daily life with helpful tips and reminders. It also allows your hearing care provider to make remote adjustments and send them directly to your smartphone, via the app.

Furthermore, the **Find my Devices** feature provides reassurance, knowing that you can find misplaced hearing aids through the Hearing Remote app.

The Hearing Remote app works on Apple and Android smartphones. Apple and the Apple logo are trademarks of Apple Inc., registered in the U.S. and other countries. App Store is a service mark of Apple Inc. Google Play and the Google Play logo are trademarks of Google Inc. Android is a trademark of Google LLC.

# Connections

Vista S keeps you effortlessly connected to the sounds that matter most. Enjoy reliable universal Bluetooth® connectivity with instant compatibility for hands-free phone calls and smooth streaming of music and media on any compatible device. Quickly switch between face-to-face conversations, calls, and streamed content without missing a beat. Plus, powerful wireless transmission allows you move freely while staying connected.

# Vista:trial

Vista S enables you to try your hearing aids before you purchase, giving you the confidence to choose the right hearing solution for your specific needs.

# Vista:upgrade

Have peace-of-mind, knowing that you can upgrade technology levels should your listening needs change in the future. There is no need to purchase new hearing aids, you simply pay for the technology upgrade on your current hearing aids.

## Vista S technology levels

Vista S hearing aids come with different technology levels. We'll work together to choose the one that best matches your listening lifestyle and needs.
